

PREMIUM FRAME

system for internal doors and partitions

Colin's Sash Windows
Delivered Nationwide, Trade and Retail

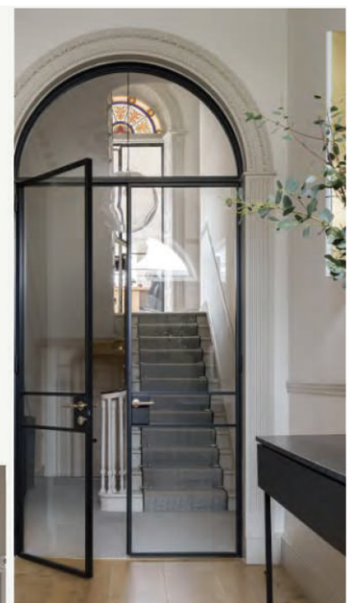

OVER 50,000 WINDOWS SUPPLIED SINCE 2014

SYSTEM DESCRIPTION

Premium Frame is our own internal steel door system designed for elegant interiors and maximum design flexibility. It features very slim sightlines and a clean, modern steel look, while allowing almost unlimited configuration options.

The system can be manufactured as single or double doors, with side panels, overpanels, or full glazed partitions. Various glazing bar layouts, glass types, colours and handles are available, making each door fully custom-made to the client's design.

The doors are equipped with a magnetic closing system as standard, which ensures smooth and quiet operation
